Life I know not what thou art  
But know that, thou and I must part.  
And when, or how or where we met,  
I own to me's a secret yet.  
Life ! We have been long together  
Through pleasant through cloudy weather,  
'Tis hard' to part when friends are dear.  
Perhaps it will cost a sigh, a tear,  
Then steal away, give little warning.  
Choose thou own time,  
Say not good night, but in some brighter clime  
Bid me good morning.

OR

Under the greenwood tree,  
who loves to lie with me,  
And turn his merry note  
Unto the sweet bird's throat,  
come hither, come hither, come hither,  
Here shall he see  
No enemy,  
But winter and rough weather.  
who doth ambition shun,  
And love's to lie in the sun,  
seeking the food he eats,  
And pleased with what he gets,  
come hither, come hither, come hither,  
Here shall he see  
No enemy  
But winter and rough Weather.
