Bachelor of Science (B.Sc.) (Part-I) Second Semester (Old Course)

2SEVST1-Environmental Science Paper-I: Environmental Chemistry

				GUG/W/18/11580 Max. Marks : 50	
			All questions are compulsory and carry equal marks. Illustrate the answers with suitable diagrams and examples.		
1.		Discuss	s in brief solubility of gases in water w.r.t. oxygen, Nitrogen and carbon of	dioxide. 10	
			OR		
		Briefly	discuss effects of climate change on polar ice caps, glaciers and agricultu	ure. 10	
2.			re the objectives of environmental education? Discuss the formal environ on in India.	nmental 10	
			OR		
		Discuss	s the role of NGO's in environmental protection.	10	
3.	a)	Explair	n any two physical properties of water.	21/2	
	b)	How gl	obal warming can be controlled?	21/2	
	c)	Give th	e structure of Ministry of Environment and Forest.	21/2	
	d)	Write e	explanatory note on Jal Biradari Project.	21/2	
			OR		
	e)	Give th	e structure of water.	21/2	
	f)	What a	re the effects of ozone layer depletion on biotic communities?	21/2	
	g)	Give sa	llient features of Earth summit.	21/2	
	h)	What is	s Chipko movement? Explain in brief.	21/2	
4.	a)	Give th	e composition of ocean water.	21/2	
	b)	Write e	explanatory note on green house effect.	21/2	
	c)	What is	s the need of environmental science?	21/2	
	d)	Give th	e principles of sustainable development.	21/2	
			OR		

	e)	Describe zonation in surface water.		
	f)	Но	w green house effect is responsible for global warming?	21/2
	g)	Write a explanatory note on low cost waste water technologies.		21/2
	h)	Discuss the work of Bishnoi community for environmental protection.		21/2
5.		Answer in 2-3 lines any ten.		10
		a)	What is Brackish water?	
		b)	What is pH?	
		c)	What are esturies?	
		d)	Define global warming.	
		e) Which unit is used to measure the ozone layer?		
		f)	How to protect the ozone layer?	
		g)	When Earth summit was held?	
		h)	Name environmental organizations at National level.	
		i)	What is the concept of green industries?	
		j)	Where is Tehri dam situated?	
		k)	Who is the founder leader of Narmada Bachao Andolan?	
		1)	Define sustainable development.
